APR 15 1985

Bulletin No. 14

TO: Heads of Departments and Agencies
Assistant Secretaries for Administration
(or equivalent)
Directors of Personnel

SUBJECT: Regional Realignment of MSPB Regional Offices

On May 1, 1985, the Merit Systems Protection Board will implement a realignment of several of its regional offices. This realignment is designed to enable the Board to be more responsive to the needs of appellant and agency clients. It takes advantage of the demonstrated capacity of three small regional offices to handle a greater amount of territory than is currently assigned to them, and it provides for a better balanced case load among all of the regions. Agencies with facilities in the following states are affected:

<u>State/Area</u>	<u>Old Regional Office</u>	<u>New Regional Office beginning May 1, 1985</u>
Arizona	San Francisco	Denver Regional Office 730 Simms St., Room 301 Golden, Colorado 80401
Kansas	St. Louis	
Nebraska	St. Louis	
Nevada	San Francisco	
New Mexico	Dallas	
Kentucky	Atlanta	St. Louis Regional Office 1520 Market St., Room 1740 St. Louis, Missouri 63103-2692
Tennessee	Atlanta	

Hawaii	San Francisco	Seattle Regional Office
Pacific Overseas	San Francisco	915 Second St., Room 1840
		Seattle, Washington 98174

Other geographical boundaries remain unchanged from those published in 5 CFR Part 1201, Appendix II - Appropriate Regional Office For Filing Appeals.

Please ensure that beginning on May 1, 1985, employees with appeal rights to the Board are advised of the appropriate regional office for filing their appeals.
